

WHY

MEMPHIS CHALLENGE ?

"Memphis Challenge is an invigorating program that allows you to embark on the journey of discovering who you are and what you are capable of while providing the nurturing environment and necessary resources you need to achieve your goals."

– Taylor Gladney
Senior, Bolton High School

"Memphis Challenge is an amazing opportunity to meet all sorts of new friends that truly push you forward, and you get to learn so many life skills that prepare you for the future."

– Carmen Galabiz
Junior, Collierville High School

"Why Memphis Challenge?"

Actually, why not Memphis Challenge? With workshops assisting us with ACT testing, bad habits, and current issues worldwide, Memphis Challenge should be a priority for ALL high school students in Memphis.

– Reuben Woodard
Senior, Hamilton High School

I AM MEMPHIS CHALLENGE

Be A Memphis Challenge Ambassador: **CHANGE THE GAME**

You see those students in black Memphis Challenge shirts? They are the creators, the energizers, the contributors, the counselors, the leaders. They're Memphis Challenge Ambassadors.

To be a Memphis Challenge Ambassador is to be a representative of what Memphis Challenge stands for and what it strives to be. Ambassadors design projects, facilitate breakout sessions and represent Memphis Challenge in the community. They hold offices and speak for their cohorts, and it is because of the Ambassadors that the *Tell Me A Story* project series exists. To be a Memphis Challenge Ambassador is not just to be a leader; it is to be a game changer.

If you want to learn more about being a Memphis Challenge Ambassador, ask one of the Challengers in the black Ambassador shirts, or email Avery Cunningham at acunningham@memphischallenge.org.
