IAM MEMPHIS CHALLENGE

Be A Memphis Challenge Ambassador: **CHANGE THE GAME**

You see those students in black Memphis Challenge shirts? They are the creators, the energizers, the contributors, the counselors, the leaders. They're Memphis Challenge Ambassadors.

To be a Memphis Challenge Ambassador is to be a representative of what Memphis Challenge stands for and what it strives to be. Ambassadors design projects, facilitate breakout sessions and represent Memphis Challenge in the community. They hold offices and speak for their cohorts, and it is because of the Ambassadors that the *Tell Me A Story* project series exists. To be a Memphis Challenge Ambassador is not just to be a leader; it is to be a game changer.

If you want to learn more about being a Memphis Challenge Ambassador, ask one of the Challengers in the black Ambassador shirts, or email Avery Cunningham at acunningham@memphischallenge.org.
